# WHAT IS LEADER SCHOOL?

Leader School is a developmental pathway designed to equip, inspire, and reproduce servant leaders both inside and outside the church. During this four-month program, you will grow personally, professionally, and spiritually. You will develop a deeper understanding of yourself as a leader while gaining insights into church leadership and team management.

Throughout the program, you will be encouraged to seek the Lord in refining your growth, ultimately becoming equipped to be future leaders of Overcomers Church and the Body of Christ at large.

If you're ready to take the next step in your leadership journey, keep reading!

## COMMITMENT

We kindly ask that you consistently attend Sunday (in-person) and TouchPoint Wednesdays (virtually). Additionally, please commit to serve in at least one ministry, and volunteer to assist with outreach events and extracurricular activities associated with the class, unless you are working or unwell.

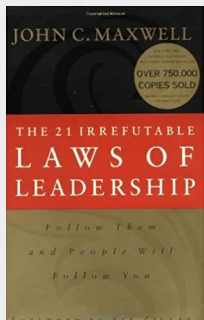

All participants are expected to tithe consistently and actively invite others to church.

In-person attendance is crucial for course success (when available). You are allowed two excused absences. If absences exceed this limit, you may be dismissed from the course or receive a failing grade.

# SYLLABUS

## Reading Assignments

There are three books to read during the class. The books are to be read in entirety according to the reading schedule given during class. It is important to develop a schedule so that you can be organized and not fall behind in your reading. It is your responsibility to purchase the following books:

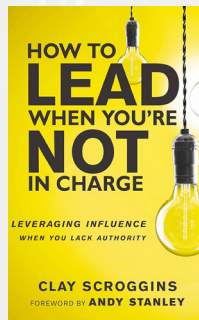

***21 Laws of Leadership***  
John Maxwell

***Lead Like Jesus***  
Ken Blanchard

***20/80 Rule***  
Conway Edwards

***How To Lead When You're Not In Charge***  
Clay Scroggins

There will also be Bible reading passages assigned each week for devotion.

## Quizzes

Each session will begin with a timed quiz covering the scheduled book and devotional readings, as well as the church's vision statement, mission statement, values, and 2025 Focus.

## Final Project

Your final project is due on the last day of class. You'll write and present a one-page article/blog on overcoming a specific weakness. Please choose the primary weakness that could prevent you from becoming the leader you aspire to be.
